

HOSSACK AVE - HOT GLASS STUDIO HIRE

10 Hossack Ave Coburg Nth 3058 Victoria Australia T 61 402 702 890 E ruth@ruthallen.com.au ruthallen.com.au

TERMS & CONDITIONS

A brief induction of our space and equipment must be executed before commencing work for the first time. We have public liability insurance but it is recommended to anyone using our workshop that they seek their own insurance cover for their own practice. RUTH will not be held responsible for any accident that may occur from a hirer using our equipment or space for their own purposes.

- The Hot Glass studio can be hired out for 2 x 4 hr sessions/day. The working sessions are Tuesday – Friday 8.30am - 12.30pm (half hour lunch) 1pm - 5pm.
- Total costs \$250 + gst/session.
- Material allocation per session is 15kg (including moils), if you think you need more glass please let Ruth know. If you separate the clear glass from your waste this weight will be deducted from your total use-age.
- Allocated annealing space is 60 x 60 x 60cm/session with an expected overnight annealing cycle. If you plan to make thick work requiring more annealing time please discuss at time of booking.
- The colour box takes approximately 1 hour to heat up so it is suggested that you arrive an hour before starting or deliver colour for turn on.
- RUTH will turn ON all equipment ready for an 8:30am start and turn OFF all equipment unless otherwise arranged.
- All work made will be placed on the shelves with the hope that it is removed within a few days.
- The glass quality has been consistently good, if you are unsatisfied with the quality of the material your concerns must be voiced at the beginning of your session, if you continue to work then it will be difficult to cancel your session.
- Cancellation of a session must be done at least 24hrs prior to schedule otherwise you might not be able to book ever again.
- Please bring your own tools and pipes when possible, we do have a small quantity of 'shop pipes' if need be but it is preferred if you can be self-sufficient in this area.
- LPG Hand Torch is available for an added cost of \$35/session + gst.
- Hot Shop Garage also available for hire on request.

Available for use at no charge:

- Pastorelli
- Optic moulds
- Blocks and paddles
- Oxy/crack off torch
- Colour box

RUTH

COLD WORKING EQUIPMENT

A brief induction of the workshop and equipment must be executed before commencing work for the first time. We have public liability insurance but it is recommended to anyone using our workshop that they seek their own insurance cover for their own practice. RUTH will not be held responsible for any accident that may occur from a hirer using our equipment or space for their own purposes.

Cold Shop Equipment includes:

- Diamond Saw
- Linisher
- Flat Bed
- Lathe
- Sandblaster

Hiring cost for all equipment is \$25/hr + gst. This cost includes all consumables.

Murrine chopper is available @ \$9/hr + gst.

The diamond saw & sandblaster will not be available whilst the hot shop is in use, please consult RUTH for availability.

Kiln Forming

1 x Blue front loading kiln is 50 x 50 x 60cm capacity \$65/day + gst.

No responsibility is taken for work and/or computer programming (happy to be consulted), the kiln is expected to be left in the same condition as when you started.
